SPONSORSHIP
Jezz (VIB)

Jezz is a gently bunny who came to us from another shelter for rehoming. He is sensitive and prone to stress. He was rehomed, but returned to us when he developed teeth problems and started to lose weight. His new owner did not want to continue with his care. His health needs are being addressed. You can follow Jezz's progress on our website under VIB bunnies. Your support will greatly assist us towards Jezz's care and is greatly appreciated.
