

BASIC SETUP for your house rabbit

1. Place some lino over existing floor (purchase from Bunnings)
2. Pet fence from ebay, buy 2 and place together to make a larger space
3. Put a rug or pre loved towel or mat on the floor to stop the rabbit slipping as they run around
4. Put in a hay and litter tray, large flat bottomed water bowl, cat tunnel and cat scratching post with 2 openings from the \$2 shops or Kmart
5. **NOW YOU ARE READY FOR YOUR BUNNY**
